MEDIUM 12"
Serves 2-3 people

LARGE 16"
Serves 3-4 people

Our pizzas are baked in our wood-fired oven, the oldest technique used to achieve roasting and baking at very high temperatures. This is achieved using only seasoned hardwoods such as oak, hickory & elm. This cooking technique is an old & traditional symbol of quality and skill by the pizza chef evolving for over three thousand years originating from the Europeans. The intense heat created by the fire sears the flavor of the food in and seals the juices thus preventing the food from dehydrating which translates to healthy and extremely flavorful food.

We hope that you enjoy your pizza created just for you by our pizza chefs!
